Dear Mr. President:

On the occasion of your meeting tomorrow with your Board of Consultants on Foreign Intelligence Activities, I have the privilege to forward herewith a letter which I have written to General John E. Hull, the Chairman of that Board. This Board has made an outstanding contribution to the foreign intelligence effort of the United States and I can assure you that all of us in the intelligence community are deeply appreciative of the work of this distinguished body which you took the initiative in appointing.

Sincerely yours,

AWD
